

## **Intermediate Basketball**

Try-outs for both the girls and boys intermediate teams begin on November 30th.

The team will be chosen based on many factors including academic standing, attitude, skill and team work. Please see the list of player expectations below.

### *Player Information and Expectations for Try-Outs :*

- All interested players are expected to attend all try-out sessions. If a player misses a try-out due to illness, coaches must be informed upon the player's return to school.
- If a player misses a try-out without a valid reason or any communication with the coaches, their name will be removed from the list of eligible players.
- Full commitment is expected and players should consider their extra-curricular schedules outside of school before seeking a spot on the team.
- Players are expected to participate in all drills and exercises that take place during practices.
- Proper attire and shoes must be worn to all practices and players are expected to be prompt and prepared to play.
- Academic standings will be considered when choosing players for the team.
- Standings on previous teams are not an influential factor as all players will be evaluated fairly and without bias.

**Try hard, try your best and most importantly have fun!**

**Good luck to all players!**
